

TPS Plastic Security Intermediate Bulk container

This strong security container is ideal for all kinds of products. It is available in three sizes Tall, Standard and Euro Deck.

Additional advantages include: being fully folding to stack 10 high when empty; being hard-wearing for durability; strong enough to stack 5 high when full and having drop side and front panels for easy loading. A lightweight, reusable and environmentally friendly packaging solution. TPS can also provide a range of inner liners to suit your application.

For specifications see overleaf.
