

TPS Unifold® 500 IBC

The TPS Unifold® 500 IBC is designed specially for the storage and transport of liquid products.

The advanced features of the Unifold® 500 have been developed by TPS to overcome the shortcomings of rival bag-in-box systems.

Easy to clean and assemble, with no loose parts, the Unifold® 500 IBC corresponds to the hygiene standards of the food and cosmetic industries. TPS Unifold® 500 IBC is the perfect choice if you need your container to fit on to a Euro Pallet.

For specifications see overleaf.
